Blue Ridge Regional Hospital Honors Special Volunteer

Blue Ridge Regional Hospital is proud to acknowledge Judith Caplano as volunteer of the year 2007 for their Yancey Campus medical facility.

Judith has been a volunteer since May of 2005 and has been a true asset to the staff and patients.

The BRRH-Yancey Campus is experiencing an increase in patients and welcoming new doctors. The medical facility is in need of more volunteers due to this growth. With the medical facility being open extended hours and weekends, the volunteer hours are flexible and can be worked around your schedule. To learn more about volunteering, please contact Barbara Hasty, Director of Volunteer Services at 766-1770.

Blue Ridge Regional Hospital, formerly Spruce Pine Community Hospital, is nationally ranked as a Thomson Top 100 hospital located in Spruce Pine, NC. For more information about services offered at Blue Ridge Regional Hospital, log onto www.brrhospital.org.
